This is a detailed topographic map of a region in Portugal. The map features a grid system and a scale bar indicating distances. Key locations labeled include Vila Real de S. To, Hortas, Monte Fino, and Monte Gorzo. The map also shows various geographical features such as rivers (e.g., Carrasqueira, da), roads, and smaller settlements like Aldeia Nova and Relur. A prominent road runs diagonally across the map, passing through several of the labeled locations. The map is oriented with North at the top.
